Issue #1 June 2010

Ollie-Ink is the home of artwork by Oliver Searle (Ollie) and Oll-Doll the Unlikely Superhero.

### A few words from Ollie...

My dream of being a professional fashion illustrator/artist inspires my artwork.

I work with various mediums from watercolour to oil pastels, pencil, the odd bit of computer work here and there, and I

have even been known to produce a mad abstract with acrylic!

I am open to the idea of doing commissions, especially of people.

Feel free to email

me with any questions or even if you just want to say hi!
